In response to the province of Ontario State of Emergency effective today, we are in compliance through the following actions:

Our Church offices in Brampton will be closed until March 31, 2020. However, our Pastors are still on "on call basis" and will be working from home.

All Worship Services, Hour of Power, School of Ministry, Networks/Ministry Events, Youth Services will be cancelled for 2 weeks or until further notice.

Live Stream video on Sunday Celebrations will be shared with Brampton, Toronto, Scarborough and Durham at 10:30 am.

On Facebook, please like our page (Champion Life Centre). Then share the live feed on your facebook or group page and engage your FB friends.

Life Group and Mentoring meetings will continue through online video (facebook messenger or zoom). Please continue intensive, intercessory, unceasing, travelling prayer in your life group meetings.

Your Community or Life Group Leader will contact you for details on when and how you can access your meetings. Please continue to support the Church during this time. All giving will be done through the mobile app, website or through our giving link and choose your location.

As government directives are rapidly updating, please standby for instructions how we can move together as a church family and make a difference in our community.

Please download the Church Centre app on android or apple from Planning Centre and update your Personal Profile especially your email address and cell phone number so you will receive important updates.

If you have further questions, if you are sick, if you need help or if you need prayer, you may text, call, video message your Pastor, Community Leader or Life Group Leader. Stay safe and God bless you and your family.

Sincerely,

April Victoria,
Pastor - Operations
